Handbook
2025**

Welcome from the Laytown & Bettystown Golf Club Captains & Presidents for 2025

On behalf of Laytown & Bettystown Golf Club Captains, Presidents and Junior Committee we would like to welcome you as a new or returning member for the year 2025.

Over the last number of seasons, the Junior Committee has worked extremely hard to develop new and exciting initiatives for our junior members. As we put you, the junior member, at the forefront of decisions made around programmes and activities our junior section over the years has grown.

Although some content may change, the Junior Committee remains dedicated in its primary purpose; and that is to promote golf as a lifelong sport that can be enjoyed by any age or any standard.

We are delighted to continue our strong relationships and partnerships with the golfing governing bodies who enable us to run a sustainable junior section.

We hope that you will enjoy participating in the junior competition programme and that you will have the opportunity to represent Laytown & Bettystown Golf Club on one of our junior teams. We look forward to working with you during the year and we hope that you enjoy being a junior member of our club.

Best wishes for the 2025 season.

Mr Tomas Maguire – Captain of the Men's Club

Mrs Ann O'Brien – Captain of the Ladies Club

Mr Tom Reid – President of the Men's Club

Mrs Bridie Durnin – President of the Ladies Club

Welcome from the Junior Convenor & Junior Committee 2025

We hope that being a member of our Club will prove to be an enjoyable experience for you. For those of you that are beginning your golf journey we aim to give you the best possible opportunity to learn golf in a **fun** and **safe** environment and develop your skills so that you can progress at a rate that is suitable for your individual needs. For those who are progressing, we hope you will avail of the opportunity to enter and play in competitions with other members as well as have the opportunity to be selected for team events.

As the Junior Convenor, I work with a group of adult volunteers called the Junior Committee who are there to help you as best we can and ensure your experience at our Club is a positive one. In turn, we ask that you uphold the rules of the club and always behave in a manner of which you can be proud.

Golf Clubs can be busy and sometimes scary places especially if you are new and unsure where things are or who is there to help you. It is hoped that by reading this handbook, a lot of your questions will be answered and if they are not covered, that you at least know who to contact to find out the answer.

Mission Statement

The aim of our Junior Section of Laytown & Bettystown Golf Club is to help you to enjoy your golf at whatever level you may aspire to. We also hope to make your golfing experience one of fun in a friendly and safe environment, where great and lasting friendships can be made.

We are looking forward to a great year working with all of our junior members at Laytown & Bettystown Golf Club.

L&B Junior Coaching Academy

Junior Coaching is vital to increase the number and standard of juniors playing golf in our club and is for our junior members only.

This year once again our Professional Gavin Byrne and his Team will be providing our juniors with expert coaching. Gavin has successfully delivered junior coaching programmes in a number of different clubs, he's an excellent golf coach and has a wealth of knowledge which will help every junior member in our club. Gavin's coaching sessions are always a bit of fun too!

No matter what your standard, from absolute beginners to the more advanced we would encourage you to get involved. It's a great opportunity make your experience in L&B all the more enjoyable as you will make friends and learn golf skills that you'll have forever.

NEW MEMBERS

It's particularly important that all of this years new members and new members from the last few years and anyone else that hasn't yet had coaching to get involved so you can learn the basics from Gavin and make friends. Also, golf courses can be very dangerous places so during the sessions Gavin will also be covering safety on the golf course.

We hope you will all support this coaching academy so that we can get more and more juniors playing golf and having fun.

We will also be running Summer Camps. More information on this will follow on BRS.

Golf Shop

Gavin also keeps a fully stocked golf shop and is available to give you advice and supply you with all the golf equipment you will ever need to suit all budgets. It's important that all of our L&B members support Gavin as much as they can.

- ✓ Juniors should replace divots on fairways and repair pitch marks on greens.
- ✓ All Juniors with should bring a sand bag with them to fill in divots.

Safety on the Course

- ✓ The most important thing to remember when playing any sport is to look after your health and safety. Before commencing play, a golfer should always stretch and take a few minutes to warm up. If the the body muscles can bend and stretch more than the ball can be hit further.
- ✓ Before making a practice swing or playing a shot, the player should ensure that no one is standing close by or in a position to be hit by the club, the ball or any stones, pebbles, twigs etc. which may be moved by the shot or swing.
- ✓ Do not hit the ball until you are sure that players in front are out of range. Always shout 'fore' if your ball is likely to land close to other players on the course.
- ✓ Do not cut in on a hole if there are players playing the previous hole.
- ✓ Respect officials and accept their decision with grace. This includes the Junior Co-ordinators, Committee Members, Course and Clubhouse staff.
- ✓ Remember to respect the course. Repair all divots made after you have taken a shot and any damage on the green caused by the impact of the ball. Before leaving the bunker always rake the sand after hitting to clear your footprints.
- ✓ Don't stand in a place that causes your shadow to be cast across a player's putting line and never walk through a player's putting line.
- ✓ Leave the green as soon as the hole has been completed. Do not mark your scores on the green, wait until you are at the next tee.
- ✓ Play quickly and do your best not to hold up any players behind. If necessary, allow the players behind to play through if they are playing more quickly than your group.

Good Course Etiquette

“Unlike many sports, golf is played, for the most part, without the supervision of a referee or umpire. The game relies on the integrity of the individual to show consideration for other players and to abide by the Rules. All players should conduct themselves in a disciplined manner, demonstrating courtesy and sportsmanship at all times, irrespective of how competitive they may be. This is the spirit of the game of golf.”

- Juniors are expected to respect and be courteous to adult members on the course.
- **Honour is about being truthful to yourself and the rules of a sport.** Golf is a game of honesty, etiquette and maturity. As in all sports, golf should be conducted in an atmosphere of fair play, respect for others and should always be played in the right spirit. Be modest in victory and gracious in defeat. Shake hands after the event, whoever wins -- and mean it.
- Players are responsible for their own actions and personal conduct on the golf course. Never throw clubs in anger.
- Respect fellow team members; give them support when things are going well or badly for them. Respect your opponents; they are not your enemies as they are fellow competitors in a sporting event. Look for your opponent’s lost ball.
- Adults have priority on the course and MUST be allowed through. When an adult is playing with a junior, they must allow a group of adult players behind to play through if this group is waiting to play.
- Avoid slow play and always allow a group playing behind to play through if they are playing at a quicker pace.
- Be organised and on time. Don’t turn up late for your tee time.
- Keep trolleys off greens and outside bunkers. Trolleys should not be taken on to the tee boxes.
- Mobile phones should be switched off or turned to silent on the golf course.

CELL PHONES

Bullying

Bullying is defined as *'repeated aggression whether it is verbal, psychological or physical that is conducted by an individual or group against others'*. In our activities different people may be involved in some kind of bullying incidents. These may include juniors, leaders, coaches, parents etc.

As a club we are committed to ensuring that any incidents of bullying are dealt with in an appropriate manner and juniors know they are in a supportive environment where it is not acceptable to bully and it is okay to tell if you know about incidents of bullying.

The 10 Golden Rules in Golf

If all golfers were to learn these 10 Golden Rules, they would be able to resolve 90% of the Rules situations that golfers routinely encounter in the course of an 18-hole round.

1. Play the ball as it lies.
2. Don't move, bend, or break anything growing or fixed, except in fairly taking your stance or swing. Don't press anything down.
3. You may lift natural objects not fixed or growing, except in a water hazard or bunker. No penalty.
4. Movable man-made objects may be moved. For immovable objects, you may take relief by dropping away from them within one club-length of the nearest point of relief, no nearer the hole, except in a water hazard or if the object defines out of bounds. In a bunker, you must drop in the bunker. No penalty.
5. You may take relief from casual water, ground under repair, burrowing animal holes or casts, anywhere except in a water hazard. On the putting green, place at the nearest point of relief, no nearer the hole; otherwise drop within one club-length of the nearest point of relief, no nearer the hole. In a bunker, you must drop in the bunker. No penalty.
6. In a water hazard or bunker, don't touch the water or ground with your hand or club before the stroke.
7. If you hit your ball into a water hazard and cannot find or play it, either drop behind the point where the ball last crossed the hazard margin or at the place where you played the shot. On the tee, you may tee the ball. One penalty stroke. If you hit into a lateral hazard, you may also drop within two club-lengths of the point where the ball last crossed the hazard margin, or, within two club-lengths of a point equidistant from the hole on the opposite margin. One penalty stroke.
8. When you hit your ball out of bounds or cannot find it after 3 minutes of searching, add a penalty stroke, go back and drop a ball at the place where you played the shot. On the tee, you may tee the ball. If you think you have hit your ball out of bounds or lost it outside a water hazard, play a provisional ball before searching for the first one.
9. When you have an unplayable lie, you may drop a ball at the place where you played the previous shot, adding a penalty stroke. On the tee, you may tee the ball. Alternatively, drop within two club-lengths, no nearer the hole, or any distance behind the unplayable spot,

keeping it between you and the hole. If the ball is in a bunker, you must drop in the bunker, under either of the alternative options. If you can't play your ball that is in a water hazard, see Golden Rule #7.

10. You may repair ball marks, spike marks and old hole plugs on the putting green that are on the line of your putt,

Some other rules to remember

1. Drop from knee height not shoulder height
2. Measure any drop using longest club in bag (except putter)
3. Drop in and play from relief area
4. Time to search for lost ball down from 5 minutes to 3
5. If you accidentally move your ball while searching for it – replace it and no penalty
6. No penalty for a double hit
7. No penalty if ball strikes you or your equipment
8. Can putt with flagstick in
9. Can repair any damage on the putting green
10. Accidental movement on putting green – replace and no penalty
11. Where wind blows a ball that was marked, replace in original position
12. Can move loose items in bunkers
13. Free drop if ball is embedded in the fairway or rough (no relief in bunker)
14. Can take a 2 shot penalty for ball buried in bunker – ball now played outside bunker – you don't have to do this but you can!
